Narrative:

Even though job opportunities with our stations have been very limited over the years due to our small staff size, we have tried to be available, and recruit and encourage an interest in broadcasting. In the past WXRC, WAIZ, and WNNC have made available internships and scholarships to broadcasting schools to help create an interest in broadcasting.

Recruitments Initiatives this period:

All of the stations' recruitment activities will be completed during another year and not the year covered by this report.
